

British Mountaineering Council Cymru Mid Wales Outreach Group Meeting

The idea of the meeting is to discuss matters affecting Mid Wales BMC members, enabling them get more involved, have more input and therefore hopefully get more from their membership. It will be an open forum chaired by Tom Hutton, the current chair of BMC Cymru.

Any thoughts or ideas will be considered. Either email them to bmccymrumidwales@live.co.uk or just bring them along on the night.

There will be some good grub available, veggie and non-veggie, served on a first-come, first-served basis... and the pub has some decent beers too!
