

## Join guest speaker *Dr Suzie Imber* at the BMC Midlands Area Meeting

Dr Suzie Imber is associate professor of Planetary Science at the University of Leicester. A highly-experienced mountaineer, Suzie has written computer code to identify and map unclimbed peaks in the Andes and Himalayas, before setting off to climb them herself. In September 2017, she won BBC2's "Astronauts: Do You Have What It Takes?".

Wednesday 7 February 2018 @ 8pm

Old Edwardians Sports Club, Streetsbrook Road, Solihull, West Midlands, B90 3PE
