

BMC London & South East Area Meeting & Nick Colton Talk Thursday 6th June 2019

Climber, mountaineer and BMC Deputy CEO Nick Colton will be giving a talk about his early Alpine experiences. Nick is best known for making the first ascent in 1976 of the Colton-MacIntyre route on the north face of the Grande Jorasses in the Alps – a line that many leading alpinists aspire to climb.

7pm meeting, followed by talk and free raffle to win a water filter bottle courtesy of Water-to-Go
