**Jesse's ascent of the
Old Man of Hoy is
documented in the new
film CLIMBING BLIND,
part of the 2019 Brit
Rock Film Tour**

Jesse is an avid climber and a member of the GB Paraclimbing Team in the Visually Impaired category, B1. However, it is Jesse's climbing on rock and ice which makes him unique. Jesse leads "trad" routes which involves him placing his own protection by feel as he leads the way. He is most well known for his adventurous on-sight of the Old Man of Hoy in Scotland in June this year. www.jessedufton.com
