

## Proposed Extended Bolted Routes – Cheeswring Quarry Cornwall

### Routes To Be Bolted With Lower Offs Added:

#Direct Route - W.Carver  
#Chance - C.Rees  
\*One Way Ticket - S.Chadwick  
\*Second Class Return - T.Mason R.Lambourne  
\*Central route - P.Stainer W.Carver  
Nocturne - T.Mason  
+Petherwin Brothers and a Sister – Richard Moss

### Key To Above:

\* = Shared lower off.

# = shared belay point, which would be better than the wooden fence posts.

+ = Currently half bolted route to be finished off and lower offs added.

### Notes:

- 1st Ascentionist and Landowners permission to be sought for all above routes.
- The routes are on unprotected, dirty and vegetated rock. As a consequence they are infrequently climbed.
- The rock type is inland quarried Cornish granite.
