

In the footsteps of Peary

TJ Halbertsma had always dreamed of standing on the North Pole. It was in 2009 that he decided to make his dream a reality. That year it was the Centennial Celebration of the 1909 expedition of Robert Peary, the first man to ever set foot on the North Pole. TJ will tell his story of crossing the ice in the footsteps of Robert Peary and many other legendary explorers.

Thursday 1 September 2016
7pm meeting, followed by talk

The Devereux
20 Devereux Court, London, WC2R 3JJ
