

BMC Lakes Area Chair vacancy

BMC Lakes Area is looking for someone with good communication, a friendly and collaborative approach and an interest in the outdoors to become our Area Chair. In this role, you would chair 4-5 meetings per year to help BMC members in our area to have a voice, supported by an area team of volunteers including Mike Parsons, the outgoing Chair after six years, Access Reps and the Area Secretary and of course the two elected Area Representatives who sit on National Council.

"I have enjoyed this role over the last six years, through this exciting period of change at the BMC and learning much personally, whilst becoming closer to the outdoor and climbing community".
Mike Parsons.

We wish to encourage people from underrepresented groups to apply for this role. The outdoor community is diverse and we want to reflect that in our team. If you would like to speak to the current Chair or a member of the team contact the outgoing Area Chair Mike Parsons, or the Area Secretary Ron Kenyon, or one of the Area Representatives Fiona Sanders, who also sits on the BMC Board of Directors as a Council Nominated Director:

Mike Parsons - mike@outdoorgearcoach.co.uk, mobile 07771 706069

Ron Kenyon - ron@jaggedlakes.plus.com, 07775 768569

Fiona Sanders - changing.perspective@icloud.com

The next Lakes Area Meeting will be our Area AGM when the new incoming Chair will take over. The meeting will be held (on Zoom of course) on Wednesday 11 November, and the new Chair will take over at the close of the AGM.
